I am registering as a Non-Matriculated student, and affirm that I am not in pursuit of a degree or certificate at Clinton Community College at the time of this registration. I understand that as a Non-Matriculated student, I am not entitled to receive financial aid for the courses for which I register. I further understand that should I decide to matriculate for a later semester, I will be required to go through the college's admission process and that the grades and QPA (Quality Point Average) I earn as a Non-Matriculated student will factor into the determination of my eligibility for financial aid at the time of my matriculation.
