## What if Financial Aid Doesn't Cover Expenses?

Financial aid is meant to *supplement* a student's own means of paying for their education. Awards are not guaranteed to cover all attendance costs. In such an instance, students or parents may wish to borrow under the Department of Education's Direct Loan Program. Loan information can be found at: [www.clinton.edu/financialaid](http://www.clinton.edu/financialaid).

- Contact the Financial Aid Office during **WEEK 1** of classes for Federal Work Study positions.
- Contact the Bursar (518-562-4134) for tuition payment options.
- Contact the Faculty Student Association (518-562-4372) for housing payment options.
