- All classes run from 1830 to 2200 except for CPR which may go to 2230 dependent on need.
- ICS 100b, 700 and 500 (Hazmat Awareness) are required. Please bring your certificates the night of registration.
- All sessions will be conducted at 136 Clinton Point Drive; Plattsburgh, NY 12901 4th floor in Room 430
- Make-up exams will be administered within two weeks of original exam at the instructors convenience
- All class registration paperwork **MUST** be turned in to CIC by Tuesday October 9. **Failure to do so may result in removal from class.**
- A health assessment is required for all students **within a year of the start date of the class.** You will need a copy of your immunization record and are required to get the flu vaccine in order to do clinical time, usually in September or October of the year you start taking the class.
