2. The person, firm or corporation making such proposal shall submit it in a sealed envelope to the Office of the Vice President for Administration and Finance or his/her duly designated representative at the place herein mentioned on or before the hour and day stated in Page One of the cover letter, and the envelope shall be endorsed on the face thereof with the name of the person firm or corporation making such proposal, the date of its presentation and the title of the services, materials, equipment and/or supplies for which such proposal is made.
3. The bidder shall insert the price per stated unit and the extension against each item in the schedules hereto annexed which he proposes to furnish, deliver and install (where called for). In the event of a discrepancy between the unit price and the extension, the unit price will govern. All prices quoted must be "per unit" as specified; e.g., do not quote "per case" when "per dozen" is requested; otherwise, bid may be rejected. The price inserted must include delivery charge. Computations must be made of the total amount of the bid for all items bid upon and the total shall be stated in the space provided at the end of the schedule.
4. Purchases by the State of New York are not subject to any sales or federal excise taxes. The price bid shall be net and shall not include the amount of any such tax. Exemption certificates will be furnished upon request. New York State is also exempt from the Transportation Tax and no exemption certificates are required for this tax. There is not exemption, however, for Social Security, Unemployment Insurance and like taxes.
5. No charge will be allowed for cases, boxes, carboys, bottles, etc., nor for freight expenses, expressage, or cartage. No empty packages, cases, boxes, carboys, bottles, etc. will be returned to the bidder or contractor and will not be paid for by the College. Such empty cases, boxes etc. may be removed by bidders or contractors at their own expense providing they notify the College of their intent to remove the empty cases, boxes, etc. in advance of the delivery date.
6. Prices shall be net, including transportation and delivery charges fully prepaid by the successful bidder to destination indicated in the proposal.
7. All bids received after the time stated for the opening in the Notice to Bidders may not be considered and will be returned unopened to the bidder. The bidder assumes the risk of any delay in the mail or in the handling of the mail by employees of the College. Whether sent by mail or by means of personal delivery, the bidder assumes responsibility for having his/her bid deposited on time at the place specified.
8. The submission of a bid will be construed to mean the bidder is fully informed as to the extent and character of the supplies, material, or equipment required and a representation that the bidder can furnish the supplies, materials, or equipment satisfactorily in complete compliance with the specifications.
9. If two or more bidders submit identical bids as to price, the decision of the Board of Trustees to award a contract to one of such identical bidders shall be final. (General Municipal Law, Sec. 103, sub 1)

10. Any Addenda sent to the contractor(s) shall be binding and take precedence over the original part of the specifications to which they refer. Interpretations and clarifications of all parts of the specifications may be had at the Office of the Vice President for Administration and Finance on or before the date of the opening of the bids. After the opening of the bids all interpretations and meanings of the specifications will be made by the Board of Trustees. Failure of any bidder to receive any Addenda shall not relieve such bidder from any obligation under this bid as submitted. All Addenda so issued shall become a part of the Contract Documents.

11. Where items or articles of equipment or supplies are designated as manufactured by a specific manufacturer, it is to be understood that the articles as specified represent an accepted standard. Where certain brands of materials, apparatus, or equipment are specified, such goods have been selected in order to establish a standard for the particular service required, but it is not the intention to limit competition thereby. Where reference is made to a particular make and catalogue without a complete description of what is required, the item/catalogue may be examined at the Office of the Vice President for Administration and Finance where such catalogues are available. If the bidder proposes to furnish the article which is specified, he/she is to fill in the amount on the line indicated. If the bidder desires to bid on a substitute for the article specified, which is claimed to be equivalent to the standard specified, the amount should be recorded on the space identified as "Provided by Bidder" and he/she must furnish the required information relating to the manufacturer. Where substitute bids are quoted on items, when stated in the specifications as "or equal as approved", it shall mean the approval by the Board of Trustees. In cases where the bid is based upon a substitute article, the bidder may be asked to submit a sample. Samples will be returned, upon request, as soon as award is made.

12. Samples, when required, must be submitted strictly in accordance with instructions, otherwise, bid may not be considered. If samples are requested subsequent to bid opening, they shall be delivered within ten (10) days of the request, or as directed, for bid to have consideration. Samples must be furnished free of charge and must be accompanied by descriptive memorandum invoices indicating if the bidder desires their return and specifying the address to which they are to be returned provided they have not been used or made useless by test. Award samples may be held for comparison with deliveries. The College will not be responsible for any samples destroyed or mutilated by examination or testing. Samples shall be removed by the bidder at his/her expense. Samples not removed within fifteen (15) days after the bid award will be regarded as abandoned and the College shall have the right to dispose of them as its own property.

13. All window envelopes/mailers must conform to the current U.S. Postal regulations. It is the responsibility of the supplier to be familiar with and to adhere to these regulations.

14. Insurance Requirements:

In the event of such cancellation, the College shall have the right to cancel and terminate the established contract forthwith and without notice. The required insurance policies must be written by an insurance company that is authorized and approved by the New York State Superintendent of Insurance.

15. Faxed bids will not be accepted.
16. The College reserves the right to purchase items included in these specifications on New York State Contracts, when available.

18. The Board of Trustees reserves the right to reject any and all bids and to waive any informality in any bid.
19. Awards will be on the basis of a Best Value Award, as authorized in section 103 of the General Municipal Law and as defined in section one hundred sixty-three of the state finance law. The awarded bidder will be responsible, as will best promote public interest, taking into consideration the reliability of the bidder, the quality of the materials, equipment, or supplies to be furnished, their conformity with the specifications, the purposes for which required, and the terms of the delivery.
20. No contract thereunder shall, either in whole or in part, be assigned, transferred, conveyed, sublet, or otherwise disposed of to any other person, company, or corporation unless approval is first obtained in writing from the College.
21. Should the successful bidder fail to meet a delivery date required by the specifications, the College may, at their discretion, cancel the order and terminate the contract. In such event, the College will assume no responsibility for any expense or loss to the successful bidder because of such cancellation or termination.
22. A contract may be canceled at the successful bidder's expense upon non-performance or poor performance of contract on ten (10) calendar days written notice to the successful bidder.

24. If a successful vendor exhibits a history of back orders or delayed deliveries, the Board of Trustees reserves the right to rescind their award and to disqualify them from future bidding.
25. Title shall not pass until items have been delivered to the College and accepted by the requesting Department.
26. Executory Clause: It is understood by the parties that this agreement shall be executory only to the extent of the monies available by the State to the College and appropriated therefore, and no liability on account thereof shall be incurred by the State or the College beyond monies available for the purpose stated in the Contract.
27. The College reserves the right to extend the term of this contract for any length of time up to sixty (60) days beyond the time herein specified as the expiration date of this contract at identical terms and conditions. Written notice will be given to the contractor.
28. The College reserves the right to cancel this contract on thirty (30) days written notice to the Contractor(s).

The Purchasing Department will note for the benefit of successful bidder when packages are not received in good condition. Carton shall be labeled with purchase order or contract number, successful bidder's name and general statement of contents.
