Important Additional Information

- Full-year CAP courses are processed with fall semester registration.
- The registration dates and times at your school fall within the registration timeline noted above and are determined by the high school and in collaboration with Clinton Community College. Students cannot be registered in a course retroactively, and a student cannot receive credit for a course they did not register for within the semester deadlines outlined in the College approved CAP Calendar.
- Final grades can be viewed in the CCC Student Portal as soon as the instructor submits the class grades.
