Important Additional Information:

Registration: The registration dates and times at your school fall within the registration timeline noted above and are determined by the high school and in collaboration with Clinton Community College. Retroactive registration will not occur, and the student cannot receive credit for a course they did not register for within the semester deadlines outlined in the College approved CAP Calendar.

Add/Drop Period: The student cannot receive retroactive course credit after add/drop dates. The student can only receive credit for a course within the same billing semester in which they registered and paid for the course.

Final Grades: Final grades are posted on the CCC Student Portal.
