To the Clinton Community College Graduating Class of 2021:

Living through a pandemic is likely not how you expected to finish your last semesters at Clinton, nor how you expected to start your life after college. Major milestone celebrations over the past 13 months have been postponed, cancelled, or modified, including commencements. I know this is not the ideal outcome after years of hard work and studying, but this does not diminish your tremendous accomplishment. Despite all the challenges thrown at you and having your senior year of college unceremoniously turned upside-down, you persevered to earn your degree.

Although we were not able to celebrate your graduation with all the normal pomp and circumstance it so rightfully deserves, let it be known that we are all so proud of the Class of 2021—the persistence, determination, and grit you have shown to complete your studies amidst a number of obstacles is exemplary.

As you look toward the future, know your SUNY education has prepared you to succeed in whatever you put your mind to—whether it be furthering your education or joining the workforce. The 2021 Cougars will continue the SUNY legacy of changing the world no matter where you go, and I look forward to seeing all that you accomplish.

On behalf of everyone at SUNY, I extend my heartfelt congratulations to you and your fellow 2021 graduates. You make us proud.

Sincerely,

Jim Malatras
Chancellor

Mace

In medieval times, the Mace was a weapon, usually a heavy club topped by a spiked metal knob. It was carried by a royal body guard to protect the King in his travels. Gradually (by the 14th century), the Mace gained a ceremonial character, surviving as a symbol of authority and was carried in both academic and ecclesiastical processions. The Clinton Community College Mace was made by Clarke Herdic, Professor of Health, Physical Education and Recreation, whose tenure spanned from 1969 through 2005. It is constructed of maple wood with two brass wrappings, which are inscribed with the name of the College and the College seal.

Academic Attire

American academic attire had its origin in the garments worn at medieval British universities, particularly Oxford and Cambridge. Because of the close connection between the University and the Church, students and faculty wore clerical garb. It is from these medieval, cassock-like garments that American academic attire is derived. The black mortarboard cap is adorned with a black tassel for holders of the associate, bachelor, and master degrees. A gold tassel signifies the wearer has received a doctoral degree or is a governing officer of an educational institution.

The associate's and bachelor's gowns are simple and may be recognized by long, pointed sleeves. The master's gown has oblong sleeves. The doctoral gown is full and three horizontal velvet bars decorate the bell-shaped sleeves.

Valedictorian and Salutatorian

The two graduates with the highest cumulative grade point average (GPA) are named class valedictorian and salutatorian. These students are seated with the platform party.

Graduation with Latin Honors

- Summa Cum Laude requires a GPA of 3.75-4.00
- Magna Cum Laude requires a GPA of 3.50-3.74
- Cum Laude requires a GPA of 3.25-3.49

Students graduating with Latin Honors wear an orange stole.

Honors Program Scholars

The Honors Program at Clinton Community College requires a cumulative GPA of 3.25 or higher.

- Honors Program Scholar with Merit requires a cumulative GPA of 3.25-4.00 and two honors courses
- Honors Program Scholar with Distinction requires a cumulative GPA of 3.50-4.00 and three honors courses

Honors Scholars wear a gold chord; Honors Scholars who have completed advanced program requirements wear an honors medal.

Phi Theta Kappa

Students who have achieved a 3.5 cumulative GPA are eligible to join the Alpha Pi Tau chapter of Phi Theta Kappa (PTK) International Honor Society of the Two Year Colleges. PTK students wear a gold tassel on their cap; PTK officers wear a blue and gold chord and gold stole with the PTK emblem.

Presidential Scholarship Program

Select high school students with a cumulative average of 90 or above in a Regents program of study are eligible for the Presidential Scholarship Program. These students earned a minimum semester GPA of 2.75 in their first semester and a minimum semester GPA of 3.25 in subsequent semesters.
