Clinton Community College
136 Clinton Point Drive Plattsburgh, New York 12901

**Applicants being sought for the position of
Tenure Track Faculty: Computer Science &
Electrical/Electronics**

Clinton Community College, a member of the State University of New York, invites applications for a Tenure Track Faculty position in Computer Science & Electrical/Electronics, effective with the Spring 2023 semester. Clinton Community College is a progressive community college with a stunning location on the shores of Lake Champlain. The College plays a unique role in the local community and within the state by offering traditional and nontraditional students' access to a variety of educational programs.

The minimum salary (Instructor level) effective 9/01/23 is \$46,660 annualized and is complemented by an excellent benefits package.

Responsibilities:

Responsibilities include teaching the equivalent of 15 credit hours per semester in Computer Science, Electrical/Electronics, and/or Mechanical Technology. Additional duties include conducting scheduled office hours for student conferences, academic advisement, participation on college committees, and continuing professional growth.

Qualifications:

A Bachelor's degree in Electrical or Mechanical Engineering, Computer Science, or a related field is required. Teaching experience is preferred. Applicants with experience in the Manufacturing and Technology fields are encouraged to apply.

How to apply: Although the search will remain open until the position is filled, for full consideration, candidates should submit materials by October 13, 2023, to include a letter of application, vitae, a statement describing how relevant coursework and experience have informed or will inform their approach to teaching, a CCC (Clinton Community College) application form (available at www.clinton.edu), and unofficial transcripts to:
