

Applicants being sought for the positions of Part-time Instructors

– Anatomy and Physiology, Microbiology and General Biology (daytime only)

Clinton Community College, a member of the State University of New York, is a progressive community college in Plattsburgh, NY with a stunning location on the shores of Lake Champlain. The College plays a unique role in the local community and within the state by offering traditional and nontraditional students access to a variety of educational programs.

We are seeking part-time instructors to teach 4 credit lecture and lab courses in Anatomy and Physiology (daytime only), Microbiology (daytime only) and General Biology (daytime only) onsite. Master's degree, preferably in the subject area, and teaching experience preferred.
