“

I was skeptical just like most students are, but I took a chance anyway. It turned out to be the best decision I've made. I became the Senate President, and it's becoming one of the best experiences of my life. Get involved! It's a great way to get to know others, and also learn some leadership skills. And it's a great resume builder! You never know what you're capable of until you try something. Help us make this school become exactly how you imagined it.

ALEX CONE — FORMER SENATE PRESIDENT

The opportunities are endless if you just get INVOLVED.
