STUDENT NAME

The Higher Education Act (HEA) uses the [McKinney-Vento Act's definition of "homeless,"](#) which includes youth who lack a fixed, regular, and adequate nighttime residence; and the McKinney-Vento Act's definition of "unaccompanied," which includes youth not in the physical custody of a parent or guardian. This definition is broader than shelters or the streets; it includes staying with others temporarily due to loss of housing, economic hardship, or a similar reason, and staying in motels due to lack of adequate alternative accommodations. The U.S. Department of Education (ED) defines the term "at-risk of homelessness" to refer to students whose housing may cease to be fixed, regular, and adequate.

**DETERMINATIONS BY AUTHORIZED ENTITIES**

Financial aid administrators will accept documentation from any of the entities who are authorized to verify a youth's status as an unaccompanied homeless youth, or as a youth who is unaccompanied, self-supporting, and at risk of homelessness, unless there is "specific documented conflicting information."

**Documentation from any of the following authorized entities attesting to homelessness or an unaccompanied youth, or was unaccompanied, self-supporting, and at risk of homelessness, any time since July 1, 2025:**

School district homeless liaison or designee;

A financial aid administrator at another institution who previously made a determination.

The director or a designee of an emergency/transitional shelter, street outreach program, homeless youth center, or other program serving homeless individuals

The director or a designee of a program funded under a TRIO /Gaining Early Awareness and Readiness for an Undergraduate program (GEAR UP grant);

**DETERMINATIONS BASED ON DOCUMENTED INTERVIEWS OR WRITTEN STATEMENTS**

If not able to obtain documentation from at least one of the parties listed above, a FAA will make a determination based on a documented interview or a written statement from the student. The determination must be made based on the legal definitions of homeless and unaccompanied contained in the education subtitle of the McKinney-Vento Act, and independently from the reasons that the student is an unaccompanied homeless youth, or is a youth who is unaccompanied, at risk of homelessness, and self-supporting.
