**NOTE:** Subsequent to Resolution #38 passage, a resolution was passed which decreased the AEMT FY26 rate from \$128/credit hour to \$80/credit hour

**NOTE:** CAP tuition must be 1/3 the part-time, NYS in-state rate, which in FY26 will be \$78 per credit hour. The amount charged to students, however, will remain the same as FY25 and will be \$70 per credit hour. The differential of \$8 per credit hour will be in the form of an institutional scholarship. It is expected that in FY26, the Foundation will again cover the differential.
